

CHILD EDUCATION SUPPORT PROGRAMME (CESP) 2022 REPORT SUMMARY

Overview

The Child Education Support Programme (CESP) enhances basic education by providing support to brilliant but needy pupils in Junior High School and ensure improved school attendance and academic performance of beneficiaries by economically empowering their parents/guardians to be able to provide for their educational needs.

2022 in Focus

The CESP was extended to children across the country through the twenty-two (22) Deeper Life Bible Church administrative regional offices. The programme is however not limited to members of the Church.

A uniform process of recruitment was used across all locations to select the beneficiaries. After recruitment, educational support materials were given to all the beneficiaries.

Beneficiaries received the following educational materials:
